triathlon television

- ITU controls its own television, from "host to post" production - the first Olympic Federation to do so.
- ITU is ideally suited to service the TV and Media needs of a global partner

- In-house production guarantees ITU crews and personnel are kept briefed on sponsor and host city needs.
- ITUtv.com is ITU's online television channel ready for the merging of television and the internet!

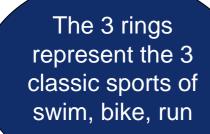

triathlon.org

- Over 1 million unique visitors in 2005, + 2 billion projected for 2006
- 6 hours of Live Coverage from all World Cup and Championships - live video from selected events -16,000+ live viewers.

- Unique Tricast™ after every event: demand video highlights of the race, results, ranking and news from those events.
- Click through sales possibilities on Tricast™
- 55,000+ unique viewers of post race coverage potential 30 min brand exposure.

triathlon . . . the story of the rings

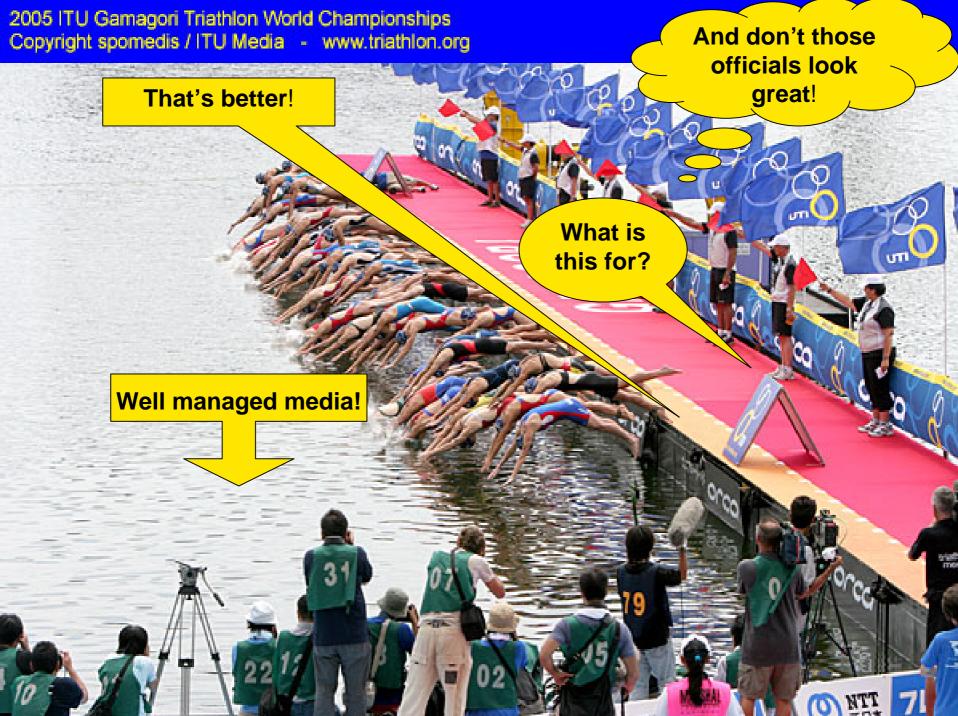

The yellow of sunshine

The blue represents the sea and the sky – clean water and air!

The rings always meet in the same place for the "stadium", transition, finish and celebrations

building triathlon together

triathlon...for everyone

 Earn "ITRI" incentives points in national championships, continental championships, world cup, and world championships

"ITRI" is for all ages, from Junior to +80 age group

All types of ITU events will offer "ITRI" points: Half Olympic, Olympic, Double Olympic, Triple Olympic Triathlon, Duathlon, Aquathlon, Winter Triathlon.
